Welcome to

ROYAL MOTOR YACHT CLUB PORT HACKING

We look forward
to welcoming you
to our club.

Located on Port Hacking, the Royal Motor Yacht Club - Port Hacking is a recreational, entertainment, sailing and cruising club that is proud to be at the heart of its local community.

With uninterrupted views of Port Hacking River and out over Gunnamatta Bay, our Club enjoys arguably one of the finest waterfront locations in Sydney's south with marine facilities that are the envy of many. Put simply, RMYC - Port Hacking is your complete venue for enhancing your life on the water.

The Club provides a home away from home to a friendly group of members with a diverse range

of on-water interests. There are groups who enjoy Sailing, Cruising and Fishing. Our members have also formed a long-running Social Golf Club and our Club is home to the Port Hacking Game Fishing Club, whose major event of the season, the Port Hacking 100, is the largest and richest Central Zone tournament of the season.

It is as a whole, though, that the Club is special. If you think that any club with "Royal" in its title is elitist, think again. One visit inside our clubhouse will rid you of any such preconceptions and you will soon come to realise that perhaps our name relates to the right royal welcome you receive!

Enjoy a family meal in Yachties Bistro, open seven days a week. Or come along to one of the many family-oriented social occasions.

We have a full social calendar, including live music every month, events to celebrate the annual favourites such as New Year's Eve, Melbourne Cup Day and ANZAC Day and innovative offerings such as our regular get-togethers for women, Ladies do Lunch and Bubbles by the Bay.

We are your local Club, with a passion for building solid community relationships. A non-profit organisation, our net revenue is reinvested

into the Club to ensure we continue to grow and evolve. With our stunning waterfront location, bayside dining, Group bookings space, marina, boat ramp, slipway and shipwright services, onsite marine electrician, a range of services from Onboard Engineering, dry storage and sense of community, RMYC - Port Hacking is your complete venue.

Since its formation in 1934 the Club has prided itself on its relaxed and informal atmosphere. Member, potential member, guest or visitor, you will find everything you want – and more – at the Royal Motor Yacht Club - Port Hacking. Members and staff look forward to seeing you very soon.

A Brief History

The Port Hacking Rowing and Motor Boat Club operated at Lilli Pilli from 1922, changing its name to the Port Hacking Power Boat Club in 1932.

In January 1934, Foundation Commodore Claude Daly and Vice Commodore Frank O'Brian approached the Royal Motor Yacht Club of NSW with a request for the establishment of a branch of the RMYC at Port Hacking.

The idea was backed unanimously, and 8 December 1934 saw the opening on our current site of what was then RMYC - Port Hacking's modest clubhouse.

Today the 'Royals' family comprises Rose Bay (Point Piper, the 'parent' club), Broken Bay, Toronto and Port Hacking, all incorporated organisations owned by their members.

Early activities of our Club centred around speed boat and cruiser racing and, until the late seventies and early eighties, Gunnamatta Bay was the site of the Club's registered race circuit where traditional and 'three pointer' hulls raced at speeds in excess of 50mph.

Many of the proud traditions of the Club have their roots in the club's past and continuing

association with the Royal Australian Navy.

This included the club's premises being taken over by the Navy during World War II to house the Southern Command Headquarters of the Volunteer Coastal Patrol, under the command of Rear Admiral Gould. During this time a number of members' boats saw service as coastal patrol vessels between Sydney and Wollongong.

Extended and modernised in 1995, and more recently in 2018, the RMYC clubhouse offers wide-ranging facilities to its members and community.

In April 2012, the Club was proud to open a new floating concrete marina with 64 berths which can accommodate vessels up to 18 metres, a substantial investment further underlining our commitment to being the Club of choice for those wishing to enjoy recreational boating activities within the Sutherland Shire area.

Clubhouse An Experience to Savour

Royal Motor Yacht Club - Port Hacking is the place to relax and enjoy some quality time with friends, a place where the drinks are affordable and the atmosphere is vibrant. Enjoy a cup of great coffee or a glass of fine wine as you savour one of the most delightful waterfront locations in southern Sydney.

Be assured you will find a welcoming home here, boatie or not. Even if your love of the water is confined to enjoying the delightful views looking out over Gunnamatta Bay as it glistens in the sunlight, or perhaps taking a few drops of H₂O to bring out the flavour in a glass of good Scotch, we guarantee you'll still feel at home here!

The great thing about Royal Motor Yacht Club - Port Hacking is that we have something for everyone and appeal to so many different interests. It's not only about sailing, or fishing, though those groups are important to us. It's more about creating an atmosphere which everyone can enjoy together, no matter what their background or interests.

We want you to think of our Club as your Club. A place which – when you are away – you

genuinely miss and look forward to getting back to at your earliest opportunity. A location so familiar and cosy that coming to see us at the end of the working day becomes as natural as kicking back and relaxing in front of the TV with a glass of wine.

Good food and good company proves to be an enticing combination to our many regulars and we'll even save you the energy of having to pull the cork out of the bottle!

The clubhouse is not just popular with our members, but attracts many from the local community as well, eager to sample the fare on offer. With children not only catered for, but made very welcome too, it makes a great destination for a family outing for those on a budget.

We know you don't really want to leave The Port,
but, when you do, call Tom and the Team.

You might have driven along Woollooware Road, flanked by trees and desirable properties, many, many times and not even known we were there. Perhaps if you were paying particular attention you might have noticed the flagpoles and the inviting waters beyond in the distance.

Truly, RMYC - Port Hacking is one of Sutherland Shire's best-kept secrets, though it's not something we look to cultivate. Quite the opposite, in fact – it's always a joy for us to see the beaming faces of those who stumble upon this undiscovered gem for the first time.

When you read positive comments from real people who have taken the time and trouble to leave reviews on Google and Facebook, it means we must be doing something right.

Remarks such as "good honest food", "a hidden gem", "gorgeous water views", "best value NYE event anywhere in Sydney", "great views" (sorry, did we mention those already?!) "friendly atmosphere" and "not too crowded" speak volumes.

The Club is family friendly, with excellent facilities. Best of all, a warm welcome awaits from the members and conscientious staff who make the Club the special place that it is.

Yes, the location is something very special. But don't take our word for it, though, come see for yourself.

So next time you're in the vicinity, please pop in and say hello. One thing's for sure - once discovered, RMYC - Port Hacking is never forgotten.

Clubhouse

Dining at RMYC - Port Hacking

With sweeping, unrestricted, spectacular views of Port Hacking River and Gunnamatta Bay from every table, our unique waterfront location provides an ideal setting for all of your dining requirements.

Our menus are designed around fresh produce, innovative plates and takes inspiration from the local life on the water.

We are open daily for lunch and dinner as well as offering personalised catering for special occasions or corporate events.

Yachties Bistro

Yachties is our bistro, offering a range of meals and light snacks in a more relaxed, casual setting. It is the ideal choice for a mid-week meal for the whole family or a meal with friends on the weekend.

Open seven days a week for lunch and dinner, Yachties is the perfect place to enjoy a casual meal while taking in the view, enjoying some live music or watching a sporting game on the big screen.

Yachties is a family friendly, affordable dining option in Port Hacking. Bookings are available but walk-ins are always welcome.

➤ Current menus for Yachties Bistro can be viewed on our website: www.rmycph.com.au, which also lists our current opening hours. Bookings can be made by email – reception@rmycph.com.au – or by calling (02) 9523 9300.

Clubhouse Social Activities

We can't emphasise enough that you don't need to be a boatie to enjoy what the Club has to offer. Join as a Social Member and not only will you have a wonderful venue to bring family and friends, you can enjoy a selection of benefits and discounts available to members only.

Invariably, the clubhouse is a lively place. The social calendar at the Royal Motor Yacht Club - Port Hacking is varied and extensive and features something to appeal to all tastes.

Live music can be enjoyed monthly, on Friday nights in the Main Lounge.

There are family events to celebrate key dates in the calendar, such as New Year's Eve, Anzac Day, the Melbourne Cup and various sporting events.

Carols by Cruiser is a long-standing Christmas tradition of which the RMYC – Port Hacking is extremely proud. It is a community event that we look forward to as much as our members, their guests and the wider community in which a fleet of cruisers decked out in Christmas 'bling' cruise the waterways of Port Hacking led by a boat of Christmas Carolers.

Ladies do Lunch and Bubbles by the Bay are two notable social occasions for women, offering a regular chance throughout the year

Serving the community for 50 years and still going strong!

Established in 1968 by Ralph Chappelow, his expertise and outstanding work ethic have been passed on to many who have worked for him over the years, and now his grandson, Nathan, is ensuring his commitment and legacy continues.

The focus of R.Chappelow & Co has always been customer service, and a commitment to honing our skills to provide you with the most professional tradesmen. Jobs big and small always receive dedicated and thorough attention from our staff.

Waterfront Facilities

The RMYC - Port Hacking is home to one of the largest floating concrete marinas on the Port Hacking.

Boasting the very latest in marina design, construction and inclusions, the Club's marina opened in April 2012. Permanent berthing of registered boat owner members' vessels is offered through a registered waitlist.

Our excellent marine facilities, though, extend beyond modern marina pens and include:

- A professional slipway service with Tim at Port Hacking Slipway
- Marine Electrician – BGS Electronics
- A range of detailing, maintenance and skippering services from Lifestyle Boating
- Boat launching ramp for members only and a dedicated-15 minute trailer boat tie-up area on our 'fendered' pontoon
- Club dinghies
- Tender service on weekends and public holidays available to all 'on-water' memberships.
- Power and water available at the marina

- Showers
- Boat catering
- Ice

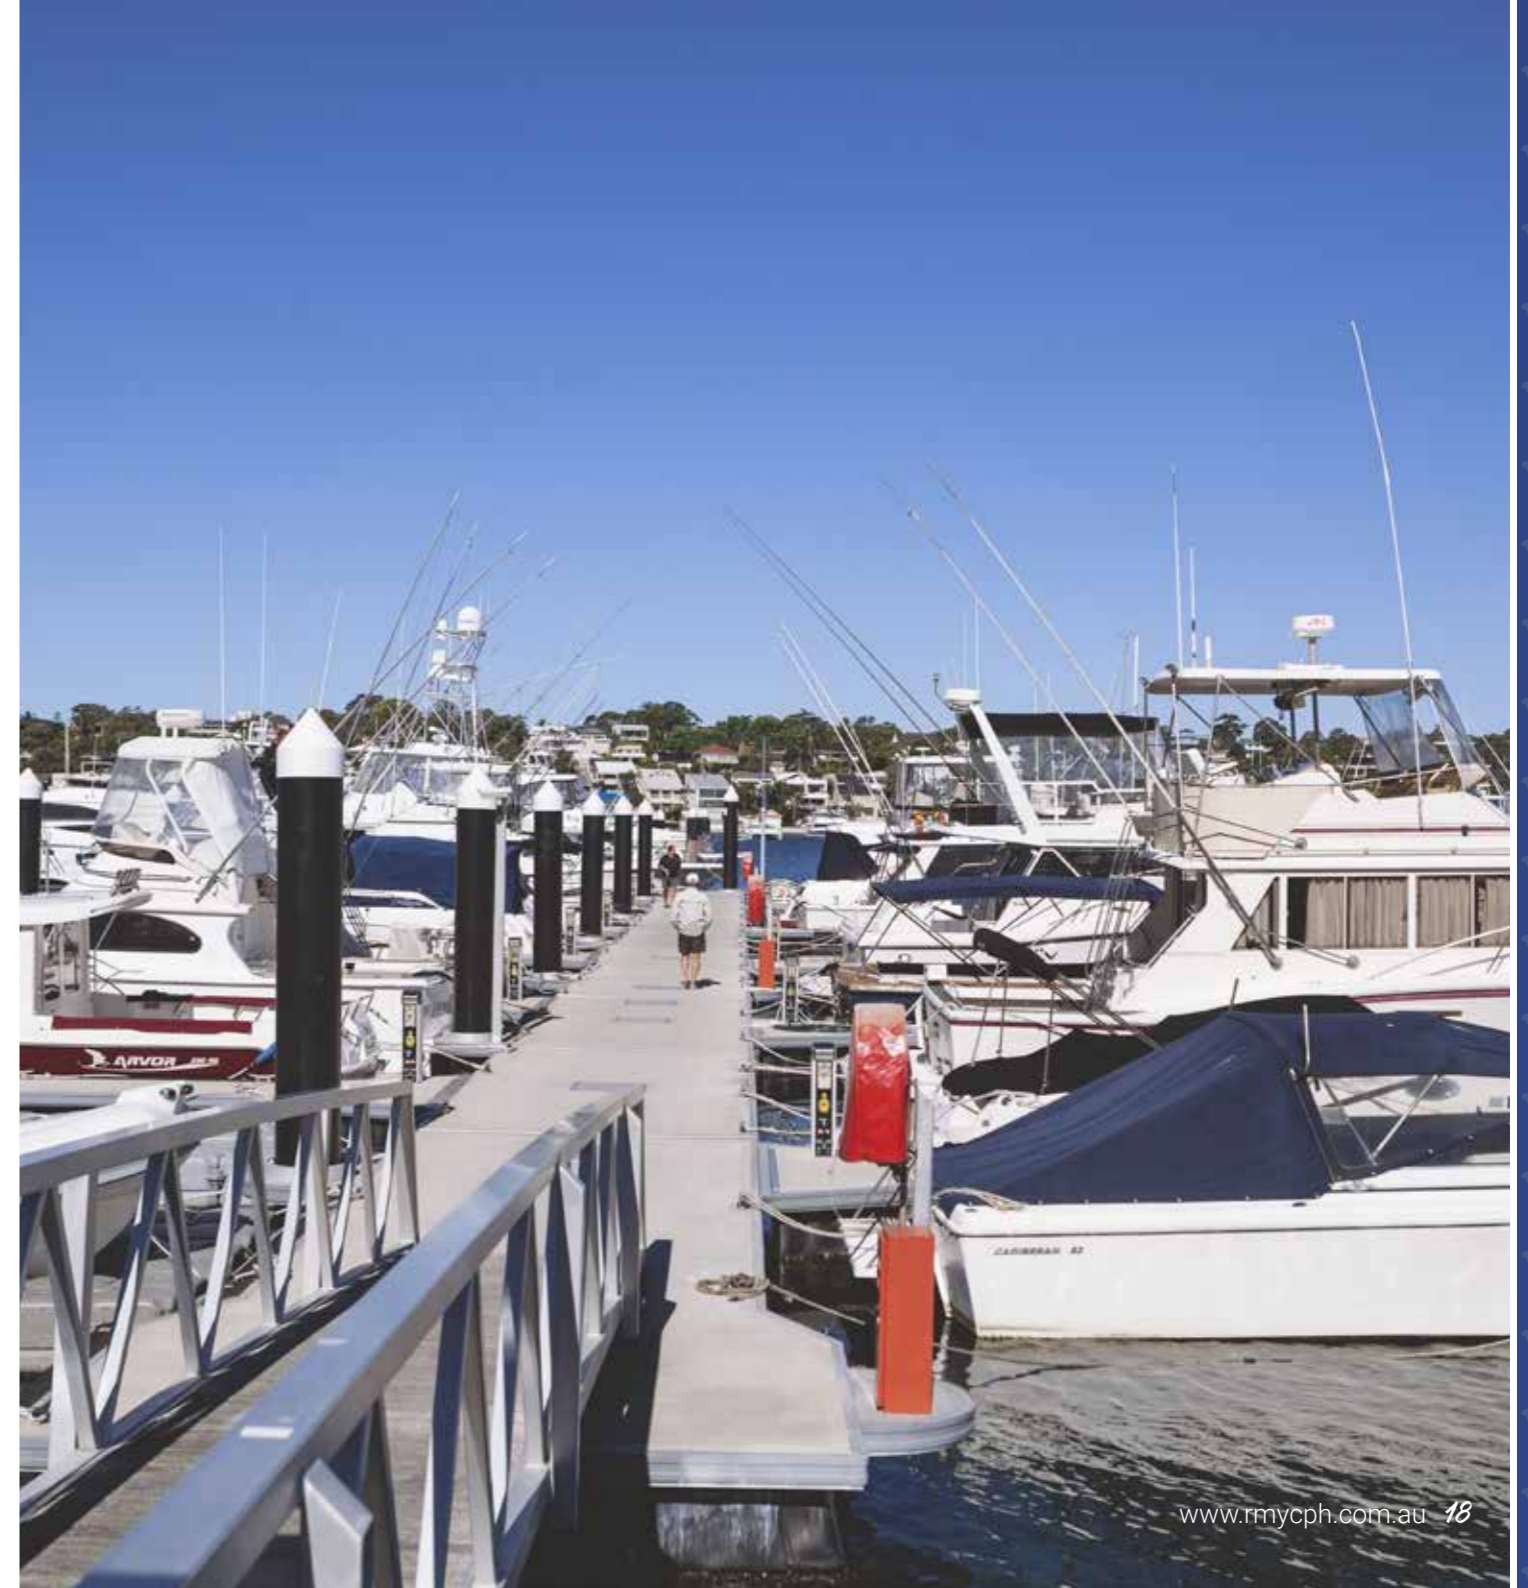

Fuel is available but needs to be pre-booked and is delivered by tanker.

Boats can only be launched between 7am and 10pm by Registered Boat Owner Members of the Club. Our Marina Assistants are available to assist on the marina at weekends and on public holidays from 8am to 5pm (8am to 6pm in daylight saving hours). They can be contacted by calling 0490 049 388.

Subject to availability, the Club is able to offer marina berths, moorings and casual berthing. Facilities include:

Berths

A full floating concrete marina with 64 berths which can accommodate vessels up to 18 metres. Berths are accessible 24 hours a day and each berth has shore power and water.

SAIL THE ADRIATIC WITH EXPERIENCE CROATIA

Moorings

The Club has a number of permanent moorings all within close proximity to the Club.

Casual Berthing

Overnight pens and casual berthing can be arranged upon request via reception. A Casual Berthing agreement must be completed and returned along with a current insurance policy that covers the vessel to the value of \$10 million for public liability. This form can be downloaded from the website along with a map of the marina. Allocation of vacant pens is via the office upon return of the appropriate documents.

The Royal Motor Yacht Club Port Hacking welcomes visitors to experience our waterfront facilities. We can be located via GPS coordinates 34°03'45.8"S 151°08'30.4"E

For those looking for a casual tie-up to enjoy a lunch or dinner, please enquire with reception to ensure that your vessel is accommodated whilst you are dining.

✦ Please contact the office for the various size and waitlist details. Casual berthing is available subject to prevailing availability upon booking through the office.

ROYAL MOTOR
YACHT CLUB

PORT
HACKING

Sailing Division

Whether a supremely ambitious Olympic hopeful or a relative sailing novice still wet behind the ears, boat owner or not, Royal Motor Yacht Club - Port Hacking can offer you competitive sailing at a level to suit.

The experience of our sailors may differ greatly and their craft may come in all shapes and sizes, but there is one constant that is guaranteed: the thrill and the exhilaration that comes with racing out on the water.

Our sailing season starts in September and a full year-round sailing calendar is offered for yachts in Divisions 3, 4 and 5 featuring Short Haul, Two Handed and Long Haul or Short Ocean handicap races.

In the summer the races extend from Flinders Island in the south and Sydney Harbour in the north with many taking place in Bate Bay and the Estuary. In addition our Sailing Division holds Estuary races almost every Wednesday.

The recent successful launch of non-spinnaker races on Sundays has attracted healthy fleets and, refreshingly, many who have not competed in offshore races before.

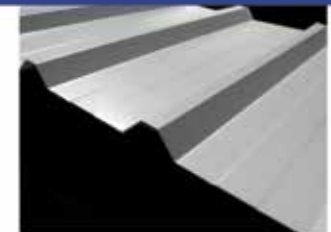

We have a close and very amicable relationship with our friends at Cronulla Sailing

Club, running several series with them, which boosts fleet sizes and the level of competition, as well as introducing a very friendly level of interclub rivalry!

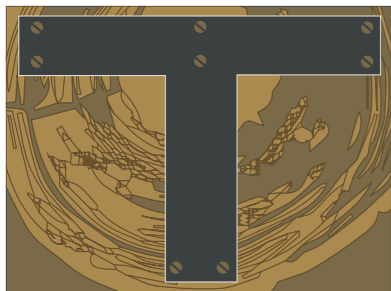

RMYC - Port Hacking sailors also compete in one of the major annual events on the CSC calendar, the Navigator's Cup, a race held in January that commemorates Australia's historical sailing links with Botany Bay – our first port.

Another such opportunity is Twilight Sailing, held weekly on Wednesday evenings during Daylight Saving. Less of a race, more of a social event, for many getting out on the water after a day's work and enjoying their favourite passion as the sun sets, followed by a get-together at the Club to enjoy a drink and a bite to eat, is as good as it gets.

For new sailors, the Twilight Series is the best series to ensure a position on a boat and meet skippers, though for those with a little more sailing experience, good crew are always in demand for the more competitive events.

For the hardy souls who love to sail year-round, there is also a winter series. This is a great way for the keen sailor to keep in shape and ensure their vessel is not only put to good use, but also is in tip-top racing condition ahead of the new season.

Cruising

Even the most competitive of sailors values the occasional change of pace.

The benefit of having a boat, of course, is that it can be used equally for racing or leisure and pleasure and provides the opportunity to visit select destinations that normal landlubbers simply cannot reach!

Just five minutes out from the Club and you can be completely surrounded by the Royal National Park, without a hint of civilisation in sight.

Those with boats can enjoy activities organised by the Cruising section. There is no membership fee and the section is always keen to welcome new members.

Visit the dedicated website of the Cruising section, www.rmycph.com.au/cruising to see what they get up to.

RMYC Golf Club

Formed in December 1995, the Royal Motor Yacht Club - Port Hacking Golf Club consists of a group of passionate players who play once a month on a Friday. Golf Club members must be a member of RMYC - Port Hacking and pay a small annual subscription on top of their main membership fee.

You don't have to be Jason Day or Adam Scott – though neither would be turned away! – just have a love of the game of golf and for having a good time surrounded by like-minded people.

So don't worry if you don't know the difference between a sandwich and a sand wedge, you can still spend a fun and enjoyable time on the greens.

Just like our fishing sub-clubs, you can look forward to the stories shared about the one that got away over an enjoyable post-round beer, though our tall tales are not about that new record Kingfish or Blue Marlin, but about that missed short putt for birdie!

Each of our players is given a handicap to be able to compete in the Club Championship, which is our "major" at the end of the season. These handicaps are based on the best eight out of ten rounds.

The beauty of the handicap system (and we have players ranging from 0 to 36) is that any player can be competitive on any given day if they play to or exceed their potential.

☞ If you require any further information or would like to be involved, please do not hesitate to contact us via the Club.

RMYCPH Fishing Club

Formed in 1972, the RMYCPH Fishing Club has grown into one of the major sub-clubs in the Royal Motor Yacht Club - Port Hacking family.

Membership of RMYC - Port Hacking is a pre-requisite of joining the Fishing Club, with a small additional annual membership fee payable.

The group fishes from September to May each year with a break during winter. Competitions are held each fortnight, starting at 7am on Saturday until weigh-in on Sunday at 3pm.

It is great heading back to base as anticipation builds ahead of finding out who has landed the day's big catch. Weigh-ins are conducted at the flagstaff in the outdoor lawn area and, win or not, it's always a fantastic social occasion, with a superb barbecue and a refreshing and well-earned drink or two to follow.

It's worth noting, as with the rest of the club, our sub-club is very much geared towards families. Juniors are positively encouraged and every youngster receives an award for a weighable fish.

The Annual Presentation Night is held in July with a host of major trophies presented, though the Club Champion prize, which goes to the member earning the most points throughout the season, is the big one they all want to land.

The Club awards two prestigious memorial trophies. The George Payne Memorial Trophy is for the largest fish caught during the year and the John Durkin Memorial Trophy – or President's Award – is awarded at the President's discretion for work done within the Club throughout the fishing season.

Port Hacking Game Fishing Club

Royal Motor Yacht Club - Port Hacking is proud to be the home of the Port Hacking Game Fishing Club, one of the oldest and most highly-regarded fishing clubs in NSW waters.

The Club enjoys strong affiliations with the sport's governing bodies and many of its members past and present hold a range of state, Australian and world records.

Membership is strong, with well over 250 financial members and some 50 plus boats ranging in size from 19' to 65'.

During the fishing season members represent the club at various tournaments Australia wide and our Club Point Score days are held twice a month over the weekends with members being able to elect either Saturday or Sunday to fish.

During the year there are many club functions and events, including members' meetings with guest speakers, boating excursions and overnights away.

The major event of the year is the Port Hacking 100 Tournament, held towards the end of the season in April/May, which attracts hundreds of competitors and their vessels from around Australia all eager to experience

an exhilarating weekend of action and the chance to land a share of the huge cash and prize pool on offer.

The Port Hacking 100 is the largest and richest Central Zone tournament of the season and celebrated its 40th anniversary in 2017. The entry fee also includes one free ticket to the presentation dinner at RMYC - Port Hacking that concludes the event on the Sunday evening.

Port Hacking Game Fishing Club prides itself on being a friendly, family-oriented club and actively looks to get all ages involved in what is a great sport.

Visit the club's dedicated website, www.phgfc.com, for more information and find out how you can become a member.
